Every year, hundreds of thousands of students choose The City University of New York for a multitude of reasons that can be summed up as one: opportunity. Providing quality, accessible education has been CUNY's mission since 1847, a commitment that is a source of enormous pride. The powerful combination of quality academics, remarkable affordability, financial support and 24 modern campuses spanning the five boroughs of New York — the world's most exciting city — makes CUNY a singular value in higher education. That's the CUNY Value.
